

Colusa County Free Library Card Application-Adults 18 and older

All permanent residents of California are eligible to apply for a library card. Valid identification, such as a current driver's license, or DMV I.D. number must be shown to establish residency. Library cards from Yolo, Sacramento, or Sutter County may be used at this library. Proof of address is required to obtain a library card. Call us at 530-458-7671 for more information.

To obtain a card, fill in the form below (you can type the information on a computer and print out the form, or print a blank form and fill out the boxes) and bring into one of our library locations.

The library will refuse applications without an identification number.
