SUBJECT: \$75 HOUSING FEE EFFECTIVE JANUARY 1, 2018

The California Legislature passed and the Governor signed Government Code section 27388.1 mandates that effective January 1, 2018, a \$75 Housing Fee will be charged on certain recorded documents. The full text of Government Code § 27388.1 is provided at the end of this memo along with a schedule of recording fees. County Recorders must enforce the Housing Fee. The Housing Fee will be paid at the time of recording every real estate instrument, paper, or notice required or permitted by law to be recorded, except those expressly exempted from payment of recording fees, per each single transaction per parcel of real property. This fee is not to exceed \$225 per single transaction.

In order to carry out the implementation required by GC 27388.1, the Recorder's Office has developed the following guidelines for recording documents and the application of the \$75 fee:

Each document title presented shall be assessed the \$75 fee unless specifically exempted. Each single transaction involving (documents recorded "in connection with" with the same party(s) and property(s)) can only be assessed a maximum of \$225. There is no cap on transactions involving unrelated documents.

The Recorder's Office will review and apply exemptions specified in GC 27388.1. Exemptions are as follows:

- 1. All documents that currently record at no fee.
- 2. Any document where a documentary transfer tax as defined in Revenue and Taxation Code section 11911 is paid. Documents recorded "in connection with" the same transaction will also be exempt from paying the \$75 fee.
- 3. Documents transferring real property that is a residential dwelling to an owner-occupier. Documents recorded "in connection with" the same transaction will also be exempt from paying the \$75 fee. A Preliminary Change of Ownership Report (BOE 502-A form) may be used to support the owner occupied status. The form is available online at www.boe.ca.gov/proptaxes/pdf/sample-boe502a-rev13.pdf or your local County Assessor's Office.

The following is a list of documents explicitly set out in GC 27388.1 that will require payment of the \$75 fee (Important note: the code states that these documents are included, but the collection of the fee is "not limited to" these titles).
